

# FALL OPEN HOUSE

## Saturday, October 6, 2018

Welcome to Bard's Fall Open House!

The day centers around activities that allow students and their families to explore the campus and experience the excitement of Bard College classes.

Check-in is at the Reem-Kayden Center, where students will be directed to their classes in the Olin Humanities Building. All other visitors will attend a Q&A with Leon Botstein, President of the College, in Olin Auditorium. Campus tours begin at Olin and end at Bertelsmann Campus Center, where lunch will be served. Representatives from the Admission, Student Affairs, Career Development, Study Abroad, and Residence Life offices, as well as the Dean of the College, will be available to answer your questions.

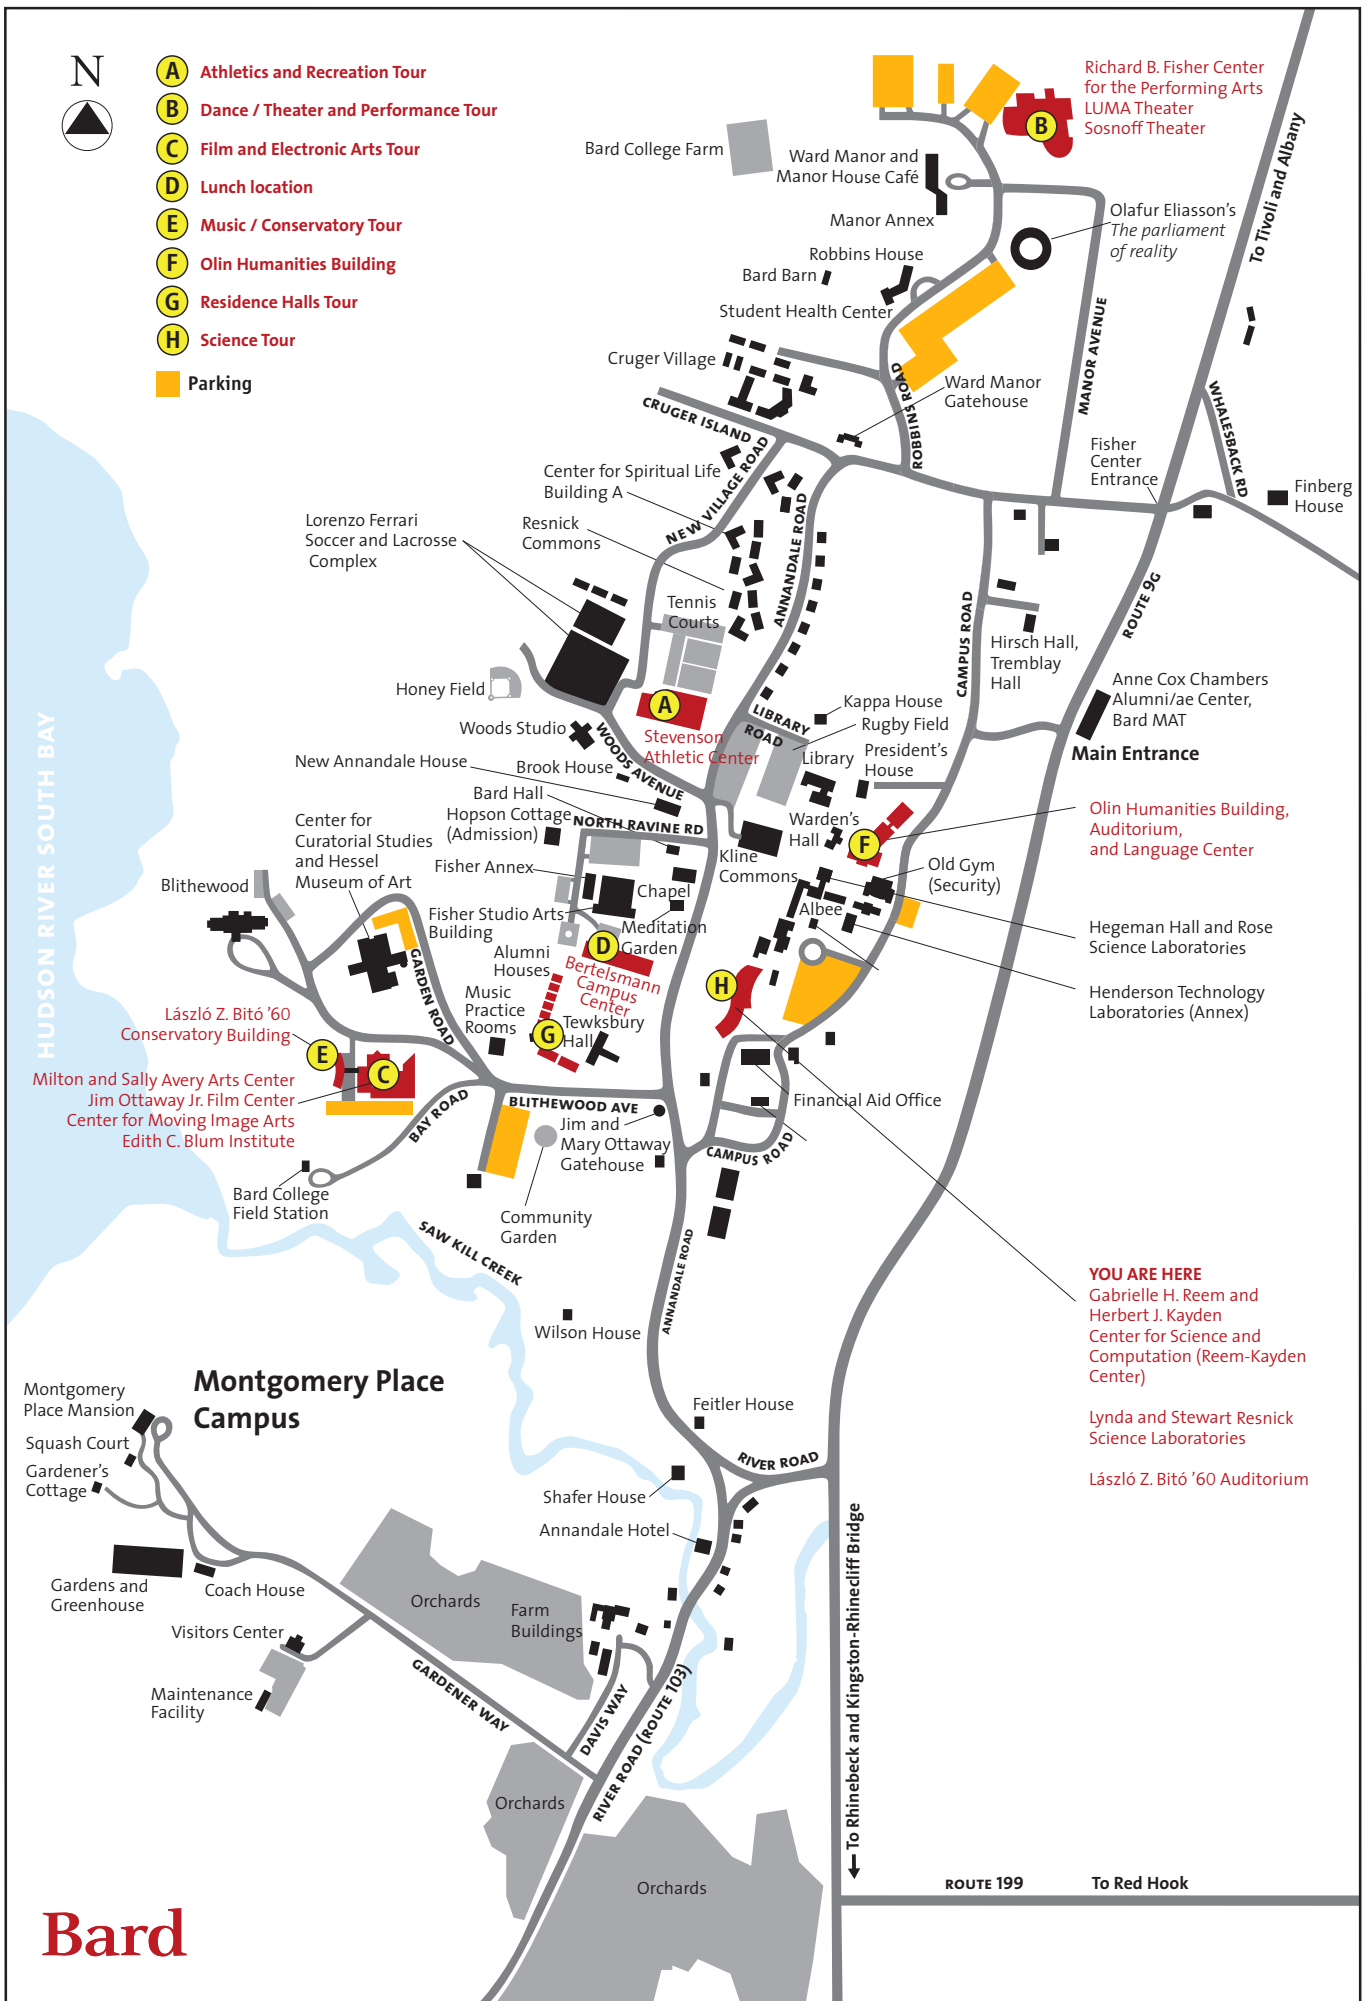

| <b>TIME</b>        | <b>EVENT</b>                                          | <b>LOCATION (see reverse)</b> |
|--------------------|-------------------------------------------------------|-------------------------------|
| 9:00-9:30 am       | Check-in                                              | Reem-Kayden Center            |
